

Owen Eugene Skelley Memorial Scholarship

As a member of the Class of 2024 at Liberty High School, Owen Eugene Skelley was full of life, love, and generosity. He was always concerned about others and went out of his way to show compassion and build others up. Sports were very important to Owen, especially baseball and football, but what was more important to him was treating others with compassion and kindness. He was a genuine friend to so many!

On March 3, 2022 Owen passed away after a long battle with mental illness. The Big O Foundation was created in memory of Owen, and to raise awareness about mental health. Owen impacted many people in his short time on earth, and we want to continue to live out Owen's legacy. The foundation is driven to make a positive impact and help end the stigma around mental illness.
